This act shall be known and may be cited as the Medical Marijuana Act.

17 Section 102. Declaration of policy.

The General Assembly finds and declares as follows:

- (1) Scientific evidence suggests that medical marijuana is one potential therapy that may mitigate suffering in some patients and also enhance quality of life.
- (2) The Commonwealth is committed to patient safety. Carefully regulating the program which allows access to medical marijuana will enhance patient safety while research into its effectiveness continues.
 - (3) It is the intent of the General Assembly to:
 - (i) Provide a program of access to medical marijuana which balances the need of patients to have access to the latest treatments with the need to promote patient safety.
 - (ii) Provide a safe and effective method of delivery of medical marijuana to patients.
 - (iii) Promote high quality research into the effectiveness and utility of medical marijuana.
- (4) It is the further intention of the General Assembly that any Commonwealth-based program to provide access to medical marijuana serve as a temporary measure, pending Federal approval of and access to medical marijuana through traditional medical and pharmaceutical avenues.

40 Section 103. Definitions.

The following words and phrases when used in this act shall have the meanings given to them in this section unless the context clearly indicates otherwise:

"Advisory board." The advisory board established under section 1106.

"Caregiver." The individual designated by a patient or, if the patient is under 18 years of age, an individual under section 508(2), to deliver medical marijuana. "Certified medical use." The acquisition, possession, use or transportation of medical marijuana by a patient, or the acquisition, possession, delivery, transportation or administration of medical marijuana by a caregiver, for use as part of the treatment of the patient's serious medical condition, as authorized in a certification under this act, including enabling the patient to tolerate treatment for the serious medical condition.

"Certified registered nurse practitioner." As defined in section 2 of the act of May 22, 1951 (P.L.317, No.69), known as The Professional Nursing Law.

"Change in control." The acquisition by a person or group of persons acting in concert of a controlling interest in an applicant or registrant either all at one time or over the span of a 12-consecutive-month period.

"Continuing care." Treating a patient, in the course of which the practitioner has completed a full assessment of the patient's medical history and current medical condition, including an in-person consultation with the patient.

"Controlling interest." As follows:

- (1) The term shall mean the following:
- (i) For a publicly traded entity, voting rights that entitle a person to elect or appoint one or more of the members of the board of directors or other governing board or the ownership or beneficial holding of 5% or more of the securities of the publicly traded entity.
- (ii) For a privately held entity, the ownership of any security in the entity.
- (2) For purposes of this definition, the term "security" is as defined in section 102(t) of the act of December 5, 1972 (P.L.1280, No.284), known as the Pennsylvania Securities Act of 1972.

"Department." The Department of Health of the Commonwealth.

"Dispensary." A person, including a natural person, corporation, partnership, association, trust or other entity, or any combination thereof, which is registered by the department to dispense medical marijuana. The term does not include a health care medical marijuana organization under Chapter 19.

"Family or household member." As defined in 23 Pa.C.S. § 6102 (relating to definitions).

"Financial backer." An investor, mortgagee, bondholder, note holder or other source of equity of an applicant other than a financial institution.

"Financial institution." A bank, a national banking association, a bank and trust company, a trust company, a savings and loan association, a building and loan association, a mutual savings bank, a credit union or a savings bank.

"Form of medical marijuana." The characteristics of the medical marijuana recommended or limited for a particular patient, including the method of consumption and any particular dosage, strain, variety and quantity or percentage of medical

marijuana or particular active ingredient.

"Fund." The Medical Marijuana Program Fund established in 3 section 902.

"Grower/processor." A person, including a natural person, 5 corporation, partnership, association, trust or other entity, or any combination thereof, which is registered by the department under this act to grow and process medical marijuana. The term does not include a health care medical marijuana organization under Chapter 19.

"Identification card." A document issued under section 505 that permits access to medical marijuana under this act.

"Individual dose." A single measure of medical marijuana.

"Medical marijuana." Marijuana for medical use as set forth in this act.

"Medical marijuana organization." A dispensary or a grower/processor. The term does not include a health care medical marijuana organization under Chapter 19.

"Patient." An individual who:

- (1) has a serious medical condition;
- (2) has met the requirements for certification under this act; and
 - (3) is a resident of this Commonwealth.

"Physician assistant." As defined in section 2 of the act of December 20, 1985 (P.L.457, No.112), known as the Medical Practice Act of 1985, and section 2 of the act of October 5, 1978 (P.L.1109, No.261), known as the Osteopathic Medical Practice Act.

"Practitioner." A physician who is registered with the department under section 302.

"Prescription drug monitoring program." The Achieving Better Care by Monitoring All Prescriptions Program (ABC-MAP).

"Principal." An officer, director or person who directly owns a beneficial interest in or ownership of the securities of an applicant or registrant, a person who has a controlling interest in an applicant or registrant or who has the ability to elect the majority of the board of directors of an applicant or registrant or otherwise control an applicant or registrant, other than a financial institution.

"Registry." The registry established by the department under section 301(1).

"Secretary." The Secretary of Health of the Commonwealth. "Serious medical condition." Any of the following:

- (1) Cancer.
- (2) Positive status for human immunodeficiency virus or acquired immune deficiency syndrome.
 - (3) Amyotrophic lateral sclerosis.
 - (4) Parkinson's disease.
 - (5) Multiple sclerosis.
- (6) Damage to the nervous tissue of the spinal cord with objective neurological indication of intractable spasticity.
 - (7) Epilepsy.

- (8) Inflammatory bowel disease.
 - (9) Neuropathies.

- (10) Huntington's disease.
- (11) Crohn's disease.
- (12) Post-traumatic stress disorder.
- (13) Intractable seizures.
- (14) Glaucoma.
- (15) Severe chronic or intractable pain of neuropathic origin or severe chronic or intractable pain in which conventional therapeutic intervention and opiate therapy is contraindicated or ineffective.

"Terminally ill." A medical prognosis of life expectancy of approximately one year or less if the illness runs its normal course.

CHAPTER 3 PROGRAM

Section 301. Program established.

A medical marijuana program for patients suffering from serious medical conditions is established. The program shall be administered by the department. The department shall have the authority to do all things necessary to fulfill its responsibilities in implementing this act. At minimum, the department shall:

- (1) Establish and maintain a computerized registry containing information set forth in this act relating to patients certified to use medical marijuana, caregivers, practitioners and medical marijuana organizations, which shall include identification numbers. The computerized registry shall include a separate, electronic database to be used by the department and dispensaries and which contains the information set forth in section 703(a)(1), (2), (3), (4) and (5) and such additional information that the department may require by regulation. The registry and database shall be capable of providing information in real time. Dispensaries shall have real-time access to information:
 - (i) To ensure that medical marijuana is not diverted or otherwise used for unlawful purposes.
 - (ii) To establish the authenticity of identification cards.
 - (iii) To provide the form of medical marijuana provided in the certification by the practitioner.
 - (2) Develop and implement procedures for:
 - (i) Issuance of identification cards to patients and caregivers.
 - (ii) Review and approval of certifications submitted by practitioners.
 - (iii) Review of the credentials of practitioners who submit certifications.
 - (iv) Review and approval of applications for identification cards.
 - (v) Review and approval of applications to become

registered with the department as a medical marijuana organization.

- (vi) Review and approval of applications of physicians to become registered with the department as practitioners.
- Develop a four-hour course for physicians regarding the latest scientific research on medical marijuana, including the risks and benefits of medical marijuana, and any other subjects deemed necessary by the department. The State Board of Medicine and the State Board of Osteopathic Medicine shall approve continuing education credit for any physician who successfully completes the course. The State Board of Pharmacy shall approve continuing education credit for any pharmacist who successfully completes the course pursuant to the requirement in section 707(9). The State Board of Nursing shall approve continuing education credit for a certified registered nurse practitioner who successfully completes the course pursuant to the requirement in section 707(9). The State Board of Medicine and the State Board of Osteopathic Medicine shall approve continuing education credit for a physician assistant who successfully completes the course pursuant to the requirement in section 707(9).
- (4) Develop a two-hour course for the principals and employees of a medical marijuana organization who either come into contact with patients or caregivers or who physically handle medical marijuana. Employees must successfully complete the course no later than 90 days after commencing employment. Principals must successfully complete the course prior to commencing initial operation of the medical marijuana organization. The subject matter of the course shall encompass the following:
 - (i) Recognizing unauthorized suspected activity under this act and the regulations promulgated by the department, including criminal diversion of medical marijuana and falsification of identification cards.
 - (ii) Proper handling of medical marijuana and recordkeeping.
 - (iii) Proper reporting of suspected unauthorized activity, including activities under subparagraph (i), to law enforcement.
 - (iv) Any other subject necessary to ensure compliance with this act and regulations promulgated under this act, as determined by the department.
- (5) Develop a procedure for announced and unannounced inspections by the department of the facilities for growing, processing or dispensing or selling medical marijuana, and of the books, papers and tracking and other systems utilized by medical marijuana organizations required by this act.
- (6) Establish a manner and method to administer research studies to be operated by vertically integrated health

systems in order to collect research data on the use of medical marijuana to treat serious medical conditions in accordance with Chapter 19.

- (7) Establish and maintain public outreach efforts about this act. The efforts shall include:
 - (i) A dedicated telephone number regarding medical marijuana so that patients, caregivers and members of the public may call to obtain basic information about the dispensing of medical marijuana under this act.
 - (ii) A publicly accessible Internet website with similar information.
- (8) Collaborate as necessary, as determined by the secretary, with other Commonwealth agencies or to contract with third parties to assist the department in fulfilling its responsibilities under this act.
- (9) Determine the minimum number and type of medical marijuana to be produced by a grower/processor and dispensed by a dispensary.

Section 302. Practitioner registration.

- (a) Eligibility. -- A physician who satisfies the following is eligible for inclusion in the registry:
 - (1) The physician applies for registration in the form and manner required by the department.
 - (2) The department determines that the physician is, by training or experience, qualified to treat a serious medical condition. The physician shall provide documentation of required credentials, training or experience as required by the department.
 - (3) The physician has successfully completed the course under section 301(3).
- (b) Department action. -- The department shall review an application submitted by a physician to determine whether to include the physician in the registry. The review shall include information maintained by the Department of State regarding whether the physician has a valid, unexpired, unrevoked, unsuspended Pennsylvania license to practice medicine and whether the physician has been subject to discipline. The review shall be conducted each time the department reviews certifications under section 501. If the physician is not the holder of a valid, unexpired, unrevoked, unsuspended Pennsylvania license to practice medicine, then the department shall deny the certification and shall remove the physician from the registry until such time as the physician holds a valid, unexpired, unrevoked, unsuspended Pennsylvania license to practice medicine. A physician who is listed in the registry is authorized to issue a certification to use medical marijuana.
- (c) Practitioner requirements.——A practitioner shall have an ongoing responsibility, so long as the practitioner remains in the registry, to immediately notify the department in writing if the practitioner knows or has reason to know that any of the following is true with respect to a patient for whom the

practitioner has issued a certification under this act:

- (1) The patient no longer has the serious medical condition for which the certification was issued.
- (2) Medical marijuana would no longer be therapeutic or palliative.
 - (3) The patient has died.

Section 303. Practitioner restrictions.

- (a) Practices prohibited. -- The following apply with respect to practitioners:
 - (1) A practitioner may not accept, solicit or offer any form of remuneration from or to a prospective patient, patient, prospective caregiver, caregiver or medical marijuana organization, including an employee, financial backer or principal, to certify a patient, other than accepting a fee for service with respect to the examination of the prospective patient to determine if the prospective patient should be issued a certification to use medical marijuana.
 - (2) A practitioner may not hold a direct or economic interest in a medical marijuana organization.
 - (3) A practitioner may not advertise the practitioner's services as a practitioner who can certify a patient to receive medical marijuana.
- (b) Unprofessional conduct.—A practitioner who violates subsection (a)(1), (2) or (3) or section 501(f) shall not be permitted to issue certifications to patients. The practitioner shall be removed from the registry.
- (c) Discipline.—In addition to any other penalty that may be imposed under this act, a violation of subsection (a)(1), (2) or (3) or section 501(f) shall be deemed unprofessional conduct under section 41(8) of the act of December 20, 1985 (P.L.457, No.112), known as the Medical Practice Act of 1985, or section 15(a)(8) of the act of October 5, 1978 (P.L.1109, No.261), known as the Osteopathic Medical Practice Act, and shall subject the practitioner to discipline by the State Board of Medicine or the State Board of Osteopathic Medicine, as appropriate.

CHAPTER 5

PATIENT AND CAREGIVER CERTIFICATION

Section 501. Issuance of certification.

- (a) Conditions for issuance.—A certification to use medical marijuana may be issued by a practitioner to a patient if all of the following requirements are met:
 - (1) The practitioner is authorized, as evidenced by the practitioner's inclusion in the registry, to issue a certification.
 - (2) The patient has a serious medical condition, which is specified in the patient's health care record.
 - (3) The practitioner by training or experience is qualified to treat the patient's serious medical condition.
 - (4) The patient is under the practitioner's continuing care for the serious medical condition.

- (5) In the practitioner's professional opinion and review of past treatments, the practitioner determines the patient is likely to receive therapeutic or palliative benefit from the use of medical marijuana.
- (b) Contents. -- In addition to the information set forth in subsection (a), the certification shall include:
 - (1) The name, date of birth and address of the patient.
 - (2) The specific serious medical condition of the patient.
 - (3) A statement by the practitioner that the patient has a serious medical condition and the patient is under the practitioner's continuing care for the serious medical condition.
 - (4) The date of issuance.

- (5) The name, address, telephone number and signature of the practitioner.
- (6) Any requirement or limitation concerning the appropriate form of medical marijuana.
- (7) Information needed for the research program database under section 1902(b)(2) as determined by the department.
- (c) Optional information. -- The practitioner may state in the certification that, in the practitioner's professional opinion:
 - (1) The patient would benefit from medical marijuana only until a specified date.
 - (2) The patient is terminally ill.
- (d) Consultation.—A practitioner shall consult the prescription drug monitoring program prior to issuing or modifying a certification for the purpose of reviewing the controlled substance history of a patient.
 - (e) Duties of practitioner. -- The practitioner shall:
 - (1) Provide the certification to the patient.
 - (2) Provide a copy of the certification to the department, which shall place the information in the registry. The department shall permit electronic submission of the certification.
 - (3) File a copy of the certification in the patient's health care record.
- (f) Prohibition.--A practitioner may not issue a certification for the practitioner's own use or for the use of a family or household member.

Section 502. Certification form.

The department shall develop a standard certification form, which shall be available upon request. In addition, the form shall be available to practitioners electronically. The form shall include a statement that a false statement made by a practitioner is punishable under the applicable provisions of 18 Pa.C.S. Ch. 49 (relating to falsification and intimidation). Section 503. Lawful use of medical marijuana.

49 (a) General rule.--Notwithstanding any provision of law to 50 the contrary, certified medical use of medical marijuana as set 51 forth in this act and regulations promulgated under this act is

lawful within this Commonwealth.

(b) Limitations.—The lawful use of medical marijuana is subject to the following limitations:

- (1) Medical marijuana may only be administered to a patient who is certified by a practitioner.
- (2) Subject to regulations promulgated under section 1108(3), medical marijuana may only be dispensed to a patient or caregiver in the following forms:
 - (i) pill;
 - (ii) oil;
 - (iii) topical forms, including gel, creams or ointments;
 - (iv) a form medically appropriate for administration by vaporization or nebulization.
 - (v) tincture; or
 - (vi) liquid.
- (3) In accordance with section 1108, medical marijuana may be dispensed to a patient or a caregiver in dry leaf or plant form.
- (4) Subject to section 1108, no individual dose of medical marijuana may contain more than 10% tetrahydrocannabinol.
- (5) For each patient, possession of medical marijuana by a patient and a caregiver may not exceed a 30-day supply of individual doses, consistent with any regulations of the department, except that, during the last seven days of any 30-day period, a patient may also possess a 30-day supply for the subsequent 30-day period.
- (6) An individual may not act as a caregiver for more than five patients.
- (7) A patient may designate up to two caregivers at any one time.
- (8) The form of medical marijuana that may be possessed by a patient or caregiver under a certification shall be in compliance with any requirement or limitation of the practitioner.
- (9) The medical marijuana shall be kept in the original package in which it was dispensed, except for the portion removed for immediate use by the patient.
- (10) A patient or caregiver shall possess an identification card whenever the patient or caregiver is in immediate possession of medical marijuana.
- (11) With respect to the packaging of medical marijuana by growers/processors and dispensing of medical marijuana by dispensaries, the medical marijuana shall only be identified by the name of the grower/processor, the name of the dispensary, the species and the percentage of tetrahydrocannabinol and cannabidiol.
- 49 Section 504. Unlawful use of medical marijuana.
- 50 (a) General rule. -- Notwithstanding section 503, the use of 51 medical marijuana as set forth in this section is unlawful and

- shall, in addition to any other penalty provided by law, be deemed a violation of the act of April 14, 1972 (P.L.233, No.64), known as The Controlled Substance, Drug, Device and Cosmetic Act.
- (b) Unlawful use described.—Regardless of the form of medical marijuana stated in the patient's certification, it is unlawful to:
 - (1) Smoke medical marijuana.
 - (2) Incorporate medical marijuana into edible form. Nothing in this act shall be construed to preclude the incorporation of medical marijuana into edible form by a patient or a caregiver in order to aid ingestion of the medical marijuana by the patient.
 - (3) Grow medical marijuana unless registered as a grower/processor or health care medical marijuana organization under Chapter 19 and acting in compliance with this act.

Section 505. Identification cards.

- (a) Issuance.—Upon review and approval of the certification issued to a patient by a practitioner, satisfactory review of a practitioner's medical credentials, satisfactory review of the prescription drug monitoring program in the case of a caregiver and satisfactory review of the Federal and Commonwealth criminal history record information in the case of a caregiver, the department shall issue an identification card to a patient or caregiver. The identification card shall permit a patient or caregiver to access medical marijuana in accordance with this act.
- (b) Expiration.—An identification card shall expire within one year from the date of issuance, upon the death of the patient, or as otherwise provided in this section. The department shall specify the form of application for an identification card. The department shall provide the form upon request, and the form shall be available electronically via the department's publicly accessible Internet website.
- (c) Separate cards to be issued.—The department shall issue separate identification cards for patients and caregivers as soon as reasonably practicable after receiving a completed application, unless it determines that the application is incomplete or factually inaccurate, in which case it shall promptly notify the applicant.
- (d) Change in name or address.—A patient or caregiver who has been issued an identification card shall notify the department within 10 days of any change of name or address. In addition, with respect to the patient, the patient shall notify the department within 10 days if the patient no longer has the serious medical condition noted on the certification.
- (e) Lost or defaced card.—In the event of a lost, stolen, destroyed or illegible identification card, the patient or caregiver shall apply to the department within 10 business days of discovery of the loss or defacement of the card for a

replacement card. The application for a replacement card shall be on a form furnished by the department and accompanied by a \$25 fee. The department may establish higher fees for issuance 4 of second and subsequent replacement identification cards. The 5 department may waive or reduce the fee in cases of demonstrated financial hardship. The department shall issue a replacement identification card as soon as practicable. The card may contain a different identification number. A patient or caregiver may not obtain medical marijuana until the patient receives the replacement card.

Information to be kept confidential. -- The department shall maintain a confidential list of patients and caregivers to whom it has issued identification cards. Individual identifying information obtained by the department, including information provided by the Pennsylvania State Police pursuant to section 506(b), under this act shall be confidential and exempt from disclosure, including disclosure under the act of February 14, 2008 (P.L.6, No.3), known as the Right-to-Know Law. Section 506. Process for obtaining or renewing an

identification card.

- Requirements. -- The following apply: (a)
- (1) To obtain, amend or renew an identification card, a patient or caregiver shall file an application with the department.
- (2) In the case of a patient, the application shall include the following:
 - The patient's certification. A new certification must be provided with a renewal application.
 - (ii) The name, address and date of birth of the patient.
 - (iii) The date of the certification.
 - (iv) If the patient has an identification card based on a current valid certification, the identification number and expiration date of that identification card.
 - The specified date until which the patient would benefit from medical marijuana, if the certification states such a date.
 - (vi) The name, address and telephone number of the certifying practitioner.
 - (vii) Other information required by the department.
- If the patient designates a caregiver, the application shall include the name, address and date of birth of the caregiver, and other individual identifying information required by the department.
- In the case of a caregiver, the application shall include the following:
 - Federal and Commonwealth criminal history record (i) information as set forth in subsection (b).
 - (ii) The name, address and date of birth of the caregiver.
 - (iii) If the caregiver has an identification card,

- (iv) Other information required by the department.
- (5) The application shall be signed and dated by the patient or caregiver, as appropriate.
- (6) The application shall be accompanied by a fee of \$50. The department may waive or reduce the fee in cases of demonstrated financial hardship.
- (7) The department may prescribe any other requirements for the application.
- (b) Requirement. -- The following apply:

- (1) In each case before approving the application to be a caregiver, the department shall review the applicant's Federal and Commonwealth criminal history record information and the prescription drug monitoring program with respect to the caregiver to determine if the caregiver has a history of drug abuse or a history of diversion of controlled substances or illegal drugs. The department may, within its discretion, deny an application to become a caregiver if the applicant has a history of drug abuse or a history of diverting controlled substances or illegal drugs. The department shall deny the application to be a caregiver if the applicant has been convicted of any criminal offense related to sale or possession of drugs, narcotics or other controlled substances.
- (2) Notwithstanding any provision of law to the contrary and in order to fulfill the requirements of this subsection, the Pennsylvania State Police shall, at the request of the department, provide criminal history background investigations, which shall include records of criminal arrests and convictions, no matter where occurring, including Federal criminal history record information, on applicants for the position of caregiver. For purposes of approving applicants to become caregivers, the department shall request the information set forth in this paragraph for each applicant who seeks to become a caregiver. The department may receive and retain information otherwise protected by 18 Pa.C.S. Ch. 91 (relating to criminal history record information).
- (c) Notice.--An application for an identification card shall include notice that a false statement made in the application is punishable under the applicable provisions of 18 Pa.C.S. Ch. 49 (relating to falsification and intimidation). Section 507. Special conditions.

The following apply:

- (1) If the practitioner states in the certification that, in the practitioner's professional opinion, the patient would benefit from medical marijuana only until a specified earlier date, then the identification card shall expire on that date.
 - (2) If the practitioner reissues a certification which

terminates a certification on an earlier date, then a replacement identification card shall be issued with the earlier expiration date. The original identification card shall be promptly returned by the patient to the department.

(3) If the certification so provides, the identification card shall state any requirement or limitation by the practitioner as to the form of medical marijuana for the patient.

Section 508. Minors.

If a patient is under 18 years of age, the following apply:

- (1) The patient shall have a caregiver.
- (2) A caregiver must be one of the following:
 - (i) A parent or legal guardian of the patient.
- (ii) An individual designated by a parent or legal guardian.
- (iii) An appropriate individual approved by the department upon a sufficient showing that no parent or legal guardian is appropriate or available.

Section 509. Caregiver authorization and limitations.

- (a) Age.--An individual who is under 21 years of age may not be a caregiver unless a sufficient showing, as determined by the department, is made to the department that the individual should be permitted to serve as a caregiver.
- (b) Changing caregiver.—If a patient wishes to change or terminate the designation of the patient's caregiver, for whatever reason, the patient shall notify the department as soon as practicable. The department shall issue a notification to the caregiver that the caregiver's identification card is invalid and must be promptly returned to the department.
- (c) Denial in part.--If an application of a patient designates an individual as a caregiver who is not authorized to be a caregiver, that portion of the application shall be denied by the department. The department shall review the balance of the application and may approve that portion of it. Section 510. Contents of identification card.

An identification card shall contain the following:

- (1) The name of the patient and the caregiver, as appropriate. The identification card shall also state whether the individual is designated as a patient or as a caregiver.
 - (2) The date of issuance and expiration date.
- (3) An identification number for the patient and caregiver, as appropriate.
- (4) A photograph of the individual to whom the identification card is being issued, whether the individual is a patient or a caregiver. The method of obtaining the photograph shall be specified by the department by regulation. The department shall provide reasonable accommodation for a patient who is confined to the patient's home or is in inpatient care due to a serious medical condition.
 - (5) Any requirement or limitation set by the

practitioner as to the form of medical marijuana.

(6) Any other requirements determined by the department, except the department may not require that an identification card disclose the patient's serious medical condition.

Section 511. Suspension.

If a patient or caregiver intentionally, knowingly or recklessly violates any provision of this act as determined by the department, the identification card of the patient or caregiver may be suspended or revoked. The suspension or revocation shall be in addition to any criminal or other penalty that may apply.

Section 512. Use of prescription drug monitoring program.

- (a) Requirement.—A practitioner shall consult the prescription drug monitoring program each time prior to authorizing the use of medical marijuana for a patient and each time prior to changing the form of medical marijuana for a patient.
- (b) Other access by practitioner. -- A practitioner may access the prescription drug monitoring program to:
 - (1) Determine whether a patient may be under treatment with a controlled substance by another physician or other person.
 - (2) Allow the practitioner to review the patient's controlled substance history as deemed necessary by the practitioner.
 - (3) Provide to the patient, or caregiver on behalf of the patient if authorized by the patient, a copy of the patient's controlled substance history.

CHAPTER 7

MEDICAL MARIJUANA ORGANIZATIONS

Section 701. Medical marijuana organizations.

The growing, acquiring, possessing, manufacturing, selling, delivering, transporting, distributing or dispensing of medical marijuana by a medical marijuana organization under this act and in accordance with regulations promulgated by the department under this act shall be lawful.

Section 702. Laboratory.

A grower/processor shall contract with an independent laboratory to test the medical marijuana produced by the grower/processor. The department shall approve the laboratory and require that the laboratory report testing results in a manner as the department shall determine, including requiring a test at harvest and a test at final processing. Section 703. Dispensing to patients and caregivers.

- (a) General rule.—A dispensary may dispense medical marijuana to a patient or caregiver upon presentation to the dispensary of a valid identification card for that patient or caregiver. The dispensary shall provide to the patient or caregiver a receipt, as appropriate. The receipt shall include all of the following:
 - (1) The name, address and identification number of the

dispensary.

- (2) The name and identification number of the patient and caregiver.
 - (3) The date the medical marijuana was dispensed.
- (4) Any requirement or limitation by the practitioner as to the form of medical marijuana for the patient.
- (5) The form and the quantity of medical marijuana dispensed.
- (b) Record retention. -- The dispensary shall retain the following for six years:
 - (1) A copy of the patient's or caregiver's identification card, as appropriate.
 - (2) The receipt, which may be retained in electronic form.
- (c) Filing with department.—Prior to dispensing medical marijuana to a patient or caregiver, the dispensary shall file the receipt information with the department by electronic means on a real-time basis as the department shall require. The department shall immediately enter the information into the separate, electronic database established under section 301(1) for use by the department and dispensaries to inhibit diversion and other unlawful use of medical marijuana. When filing receipt and certification information electronically under this subsection, the dispensary shall dispose of any electronically recorded prescription certification information as provided by regulation.
- (d) Limitations. -- No dispensary may dispense to a patient or caregiver:
 - (1) a quantity of medical marijuana greater than that which the patient or caregiver is permitted to possess under the certification; or
 - (2) a form of medical marijuana prohibited by this act.
- (e) Supply.--When dispensing medical marijuana to a patient or caregiver, the dispensary may not dispense an amount greater than a 30-day supply until the patient has exhausted all but a seven-day supply provided pursuant to a previously issued certification.
- (f) Verification.--Prior to dispensing medical marijuana to a patient or caregiver, the dispensary shall verify the information in subsections (e) and (g) by consulting the database established under section 301(1).
- (g) Form of medical marijuana.—Medical marijuana dispensed to a patient or caregiver by a dispensary shall conform to any requirement or limitation set by the practitioner as to the form of medical marijuana for the patient.
- (h) Safety insert.--When a dispensary dispenses medical marijuana to a patient or caregiver, the organization shall provide to that patient or caregiver, as appropriate, a safety insert. The insert shall be developed and approved by the department. The insert shall provide the following information:
 - (1) Lawful methods for administering medical marijuana

in individual doses.

(2) Any potential dangers stemming from the use of medical marijuana.

- (3) How to recognize what may be problematic usage of medical marijuana and how to obtain appropriate services or treatment for problematic usage.
- (4) How to prevent or deter the misuse of medical marijuana by minors or others.
- (5) Any other information as determined by the department.
- (i) Sealed and labeled package. -- Medical marijuana shall be dispensed by a dispensary to a patient or caregiver in a sealed and properly labeled package. The labeling shall contain the following:
 - (1) The information required to be included in the receipt provided to the patient or caregiver, as appropriate, by the dispensary.
 - (2) The packaging date.
 - (3) Any applicable date by which the medical marijuana should be used.
 - (4) A warning stating:
 - "This product is for medicinal use only. Women should not consume during pregnancy or while breastfeeding except on the advice of the practitioner who issued the certification and in the case of breastfeeding, the infant's pediatrician. This product might impair the ability to drive or operate heavy machinery. Keep out of reach of children."
 - (5) The amount of individual doses contained within the package and the species and percentage of tetrahydrocannabinol and cannabidiol.
 - (6) A warning that the medical marijuana must be kept in the original container in which it was dispensed.
 - (7) A warning that unauthorized use is unlawful and will subject the person to criminal penalties.
 - (8) Any other information required by the department.
- (j) Convictions prohibited.—The following individuals may not hold volunteer positions or positions with remuneration in or be affiliated with a medical marijuana organization in any way if the individual has been convicted of any criminal offense related to the sale or possession of illegal drugs, narcotics or controlled substances:
 - (1) Financial backers.
 - (2) Principals.
 - (3) Employees.

45 Section 704. Pricing.

The following apply:

(1) Each sale of medical marijuana by a dispensary shall not exceed the maximum price determined by the department through regulation. A charge made or demanded for medical marijuana by a dispensary which exceeds the maximum price determined by the department is deemed to be a violation of

the act of December 17, 1968 (P.L.1224, No.387), known as the Unfair Trade Practices and Consumer Protection Law.

- (2) The department shall set the maximum per-dose price of each form of medical marijuana dispensed by a dispensary. In setting the maximum per-dose price, the department shall consider the fixed and variable costs of producing the form of medical marijuana and any other factor the department deems relevant to determine the maximum per-dose price.
- (3) The department may set the maximum per-dose price of each form of medical marijuana sold by a grower/processor to a dispensary.
- (4) A grower/processor shall make medical marijuana available for sale to all dispensaries at the same per-dose price.
- (5) If a grower/processor changes the per-dose price on any sale of any form of medical marijuana to a dispensary, the grower/processor shall change the per-dose price for that form of medical marijuana for all other dispensaries by the same amount.

Section 705. Facility requirements.

- (a) General rule. -- The following apply:
- (1) A grower/processor may only grow or process medical marijuana in an indoor, enclosed, secure facility located within this Commonwealth, as determined by the department. The facility may include a greenhouse.
- (2) A dispensary may only dispense medical marijuana in an indoor, enclosed, secure facility located within this Commonwealth, as determined by the department.
- (3) A dispensary may not operate on the same site as a facility used for growing and processing medical marijuana.
- (b) Determination.--A grower/processor shall provide documentation of the quality and safety of the medical marijuana produced by the grower/processor to the department and to any patient or caregiver to which the medical marijuana is dispensed. The documentation shall include the test results under section 702.

Section 706. Registration.

- (a) Registration required.--Upon application, the department may register the person as:
 - (1) Both a grower/processor and a dispensary or solely as a grower/processor.
 - (2) Both a dispensary and a grower/processor or solely as a dispensary.
- (b) Separate registration.--Separate registration is required for a grower/processor and for a dispensary, including when:
 - (1) A dispensary is registered as a grower/processor.
 - (2) A grower/processor is registered as a dispensary.
- 49 (c) Records.--A grower/processor which is also registered as 50 a dispensary shall keep separate books and records.
 - (d) Department to establish regions. -- The department shall

establish no fewer than three regions within this Commonwealth for the purpose of registering growers/processors and 3 dispensaries and providing for their locations. The department shall implement this subsection in a manner which will supply an adequate amount of medical marijuana to patients and caregivers in each region. In determining the geographic boundaries of the regions, the department shall consider the following:

> (1)Population.

- (2) The number of patients suffering from serious medical conditions.
 - (3) The types of serious medical conditions.
 - (4) Access to public transportation.
 - (5) Any other factor the department deems relevant.
- Notice. -- When the boundaries are established, the department shall publish notice of the determination in the Pennsylvania Bulletin. The department may adjust the boundaries as necessary every two years. Notice of any adjustment to the boundaries shall be published in the Pennsylvania Bulletin. Section 707. Limitations on registrations.

The following limitations apply to registration of grower/processors and dispensaries:

- (1) The department may not initially register more than 25 growers/processors.
- The department may not initially register more than 50 dispensaries. Each dispensary may provide medical marijuana at no more than three separate locations.
- (3) The department may not permit a single person to hold more than five individual dispensary registrations.
- The department may not permit a single person to hold more than one grower/processor registration.
- (5) No more than five grower/processors may be registered as dispensaries. If the number of growers/processors is increased pursuant to section 1108(4), no more than 20% of the total number of growers/processors may also be registered as dispensaries.
- (6) A dispensary may only obtain medical marijuana from a grower/processor holding a valid registration under this
- A grower/processor may only provide medical marijuana to a dispensary holding a valid registration under this act.
- No medical marijuana may be dispensed from, obtained from or transferred to a location outside of this Commonwealth.
- (8.1) In accordance with regulations promulgated by the department:
 - (i) To initially grow medical marijuana, a grower/processor may obtain seed and plant material from outside this Commonwealth.
 - To grow medical marijuana, a grower/processor (ii) may obtain seed and plant material from another

grower/processor within this Commonwealth.

- (9) A dispensary shall have a physician or a pharmacist onsite at all times during the hours the dispensary is open to receive patients and caregivers, except that if a dispensary has more than one separate location, a physician assistant or a certified registered nurse practitioner may be onsite at the other location. A physician, a pharmacist, a physician assistant or a certified registered nurse practitioner shall, prior to assuming duties under this paragraph, successfully complete the course established in section 301(3). A physician may not certify patients to receive medical marijuana or otherwise treat patients at the dispensary.
- (10) A dispensary may sell medical devices and instruments which are needed to administer medical marijuana under this act.
- (11) A dispensary may sell services approved by the department related to the use of medical marijuana. Section 708. Application and issuance of registration.
- (a) Application for initial registration.—The department is authorized to register eligible applicants to grow and process or dispense medical marijuana. The department shall develop a standard application form, which shall be available upon request. The department shall provide the application in electronic form, which shall be available on the department's publicly accessible Internet website.
- (b) Contents of application.—An applicant shall provide the following information:
 - (1) A description of the business activities in which the applicant intends to engage as a medical marijuana organization.
 - (2) A statement that the applicant:
 - (i) Is of good moral character. The applicant shall submit Federal and Commonwealth criminal history record information in order to support the assertion of good moral character. For purposes of this subparagraph an applicant shall include each financial backer and principal of the medical marijuana organization.
 - (ii) Possesses or has the right to use sufficient land, buildings and other premises and equipment to properly carry on the activity described in the application. The information shall be specified in the application in sufficient detail to allow the department to verify the information.
 - (iii) Is able to maintain effective security and control to prevent diversion, abuse and other illegal conduct relating to medical marijuana. The statement shall include a provision which states that in the event of any loss or theft of medical marijuana the medical marijuana organization shall notify the Pennsylvania State Police within 24 hours.

- (iv) Is able to comply with all applicable Commonwealth laws and regulations relating to the activities in which it intends to engage under the registration.
- (3) The name, address and title of each financial backer and principal of the applicant. Residential addresses shall be included for individuals. Each individual or representative of an entity shall submit an affidavit with the application setting forth:
 - (i) Any position of management or ownership during the preceding 10 years of a controlling interest in any other business, located inside or outside this Commonwealth, manufacturing or distributing controlled substances.
 - (ii) Whether the individual or entity has been convicted of a criminal offense graded higher than a summary offense.
 - (iii) Whether the individual or entity has had a registration or license suspended or revoked in any administrative or judicial proceeding.
 - (iv) Any other information the department may require.
- (c) Notice.—The application shall include notice that a false statement made in the application is punishable under the applicable provisions of 18 Pa.C.S. Ch. 49 (relating to falsification and intimidation).
- (d) Duty to report.—The applicant is under a continuing duty to:
 - (1) Report to the department any change in facts or circumstances reflected in the application or any newly discovered or occurring fact or circumstance which is required to be included in the application, including a change in control of the medical marijuana organization.
 - (2) Report to the Pennsylvania State Police, within 24 hours, any loss or theft of medical marijuana from the facility the applicant is operating.
 - (3) Submit to inspections, whether announced or unannounced, by the department of the facilities for growing, processing, dispensing or selling medical marijuana, or of the books, papers and tracking or other systems required by this act.
- (e) Granting of registration.—The department shall grant a registration or amendment to a registration under this section if the department is satisfied that:
 - (1) The applicant will be able to maintain effective control against diversion of medical marijuana.
 - (2) The applicant will be able to comply with all applicable laws and regulations of this Commonwealth relating to the activities in which it intends to engage under the registration.
 - (3) The applicant is ready, willing and able to properly

- carry on the activity for which a registration is sought.
- (4) The applicant possesses or has the right to use sufficient land, buildings and equipment to properly carry on the activity described in the application.
- (5) It is in the public interest that the registration be granted. In determining whether the granting of registration is in the public interest, the department shall consider whether the number of medical marijuana organizations in an area will be adequate or excessive.
- (6) The applicant and its principals and financial backers are of good moral character.
- (7) The applicant satisfies any other conditions as determined by the department.
- (f) Additional information.—If the department is not satisfied that the applicant should be issued a registration, the department shall notify the applicant in writing of the factors for which further documentation is required. Within 30 days of the receipt of the notification, the applicant may submit additional material to the department for consideration.
 - (g) Fees. -- The following apply:

- (1) For a grower/processor:
- (i) An initial application fee in the amount of \$10,000 shall be paid. The fee is nonrefundable.
- (ii) A fee for registration as a grower/processor in the amount of \$200,000 shall be paid. The period of registration is one year. Applicants shall submit the registration fee at the time of submission of the application. The fee shall be returned if the registration is not granted.
- (iii) A renewal fee for registration as a grower/processor in the amount of \$10,000 shall be paid. The renewal fee shall be returned if the renewal is not granted.
- (iv) Before the granting of the initial registration, the department shall verify that the applicant has \$2,000,000 in capital, \$500,000 of which must be on deposit with a financial institution.
- (v) An application to renew registration shall be filed with the department not more than six months nor less than four months prior to expiration.
- (vi) All fees shall be paid by certified check or money order.
- (2) For a dispensary:
- (i) An initial application fee in the amount of \$5,000 shall be paid. The fee is nonrefundable.
- (ii) A fee for registration as a dispensary in the amount of \$30,000 shall be paid. The period of registration is one year. An applicant shall submit the registration fee at the time of submission of the application. The fee shall be returned if the application is not granted.

- (iii) A renewal fee for registration as a dispensary in the amount of \$5,000 shall be paid. The fee shall be returned if the renewal is not granted.
- (iv) There shall be no additional fee for operating more than one location.
- (v) Before the granting of the initial registration, the department shall verify that the applicant has \$150,000 in capital, which must be on deposit with a financial institution.
- (vi) An application to renew registration shall be filed with the department not more than six months nor less than four months prior to expiration.
- (vii) All fees shall be paid by certified check or money order.
- (3) A fee of \$250 shall be required when amending the application to indicate relocation within this Commonwealth or the addition or deletion of approved activities by the medical marijuana organization.
- (4) Fees payable under this section shall be deposited into the fund.
- (h) Issuance.--A registration issued by the department to a medical marijuana organization shall be effective only for that organization and shall specify the following:
 - (1) The name and address of the medical marijuana organization.
 - (2) The land, buildings and facilities that may be used by the medical marijuana organization.
 - (3) Any other information the department requires to assure compliance with this act.
- (i) Relocation.—The department may approve an application from a medical marijuana organization to relocate within this Commonwealth or to add or delete activities or facilities. The medical marijuana organization may not relocate or add or delete activities or facilities unless approved by the department.
- (j) Length of registration.—A registration issued by the department shall be valid for one year from the date of issuance, except that in order to facilitate registration renewals, the department may, upon an initial application for registration, issue registrations that are valid for not more than one year and eleven months.
- (k) Posting.--A dispensary shall post a copy of its registration in a location within its facility such that it is easily observable by patients, caregivers, law enforcement officers and agents of the department.

 Section 709. Registration renewals.
 - (a) The following apply to a renewal of registration:
 - (1) An applicant is under a continuing duty to report to the department any change in facts or circumstances reflected in the application or any newly discovered or occurring fact or circumstance which is required to be included in the application.

- (2) The application shall include the following information, prepared in the manner and detail as the department may require:
 - (i) Any material change in the information provided by the medical marijuana organization in an application or renewal of registration.
 - (ii) Every known charge or initiated investigation, pending or concluded during the period of the registration, by any governmental or administrative agency with respect to:
 - (A) each incident or alleged incident involving the theft, loss or possible diversion of medical marijuana grown, processed or dispensed by the applicant; and
 - (B) compliance by the applicant with the laws of this Commonwealth with respect to any substance listed in section 4 of the act of April 14, 1972 (P.L.233, No.64), known as The Controlled Substance, Drug, Device and Cosmetic Act.
- (b) Granting of renewal. -- The department shall renew a registration unless the department determines that:
 - (1) The applicant is unlikely to maintain or be able to maintain effective control against diversion of medical marijuana.
 - (2) The applicant is unlikely to comply with all laws of this Commonwealth applicable to the activities in which it may engage under the registration.
- (c) Nonrenewal decision.—If the department is not satisfied that the applicant is entitled to a renewal of the registration, the department shall within a reasonable time serve upon the applicant or the applicant's attorney of record by registered or certified mail an order directing the applicant to show cause why the application for renewal should not be denied. The order shall specify in detail the way in which the applicant has not satisfied the department's requirement for renewal. Within 30 days of the order, the applicant may submit additional material to the department or demand a hearing, or both. If a hearing is demanded, the department shall fix a date as soon as practicable.
- Section 710. Suspension or revocation of registration.

The department may suspend or revoke registration as a medical marijuana organization if:

- (1) The department has evidence that a medical marijuana organization has failed to maintain effective control against diversion of medical marijuana.
- (2) The medical marijuana organization violates any provision of this act or a regulation of the department.
- (3) The medical marijuana organization has intentionally, knowingly, recklessly or negligently failed to comply with applicable laws of this Commonwealth relating to the activities in which it engages under the registration.

Section 711. Privilege not property right.

Registration of a medical marijuana organization gives a 3 medical marijuana organization a privilege to engage in the specified activity, but registration does not give a property right.

CHAPTER 9

TAX ON MEDICAL MARIJUANA

Section 901. Tax on medical marijuana.

- Tax imposed. -- A tax is imposed on the gross receipts of a grower/processor received from the sale of medical marijuana by a grower/processor to a dispensary, to be paid by the grower/processor, at the rate of 5%. The tax shall be charged against and be paid by the grower/processor and shall not be added as a separate charge or line item on any sales slip, invoice, receipt or other statement or memorandum of the price paid by a dispensary, patient or caregiver.
- (b) Payment of tax and reports. -- The tax imposed under subsection (a) shall be administered in the same manner as the tax imposed under Article XI of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, except that estimated tax payments under section 3003.2 of the Tax Reform Code of 1971 shall not be required. A grower/processor shall make quarterly payments under this section for each calendar quarter at the rate prescribed in subsection (a) on the gross receipts for the calendar quarter. The tax shall be due and payable on the 20th day of January, April, July and October for the preceding calendar quarter on a form prescribed by the Department of Revenue.
 - (C) (Reserved).

- Deposit of proceeds. -- All money received from the tax (d) imposed under subsection (a) shall be deposited in the fund.
- Exemption. -- Medical marijuana shall not be subject to the tax imposed under section 202 of the Tax Reform Code of 1971.
- Information. -- A grower/processor that sells medical (f) marijuana shall provide to the Department of Revenue information required by the department.
- Section 902. Medical Marijuana Program Fund.
- (a) Fund established. -- The Medical Marijuana Program Fund is established as a special fund in the State Treasury. Money in the fund is appropriated as set forth in subsection (c). Any amount unspent at the end of a fiscal year shall be appropriated to the department for its operations.
- Source of funds. -- Fees and taxes payable under this act shall be deposited into the fund. The money deposited into the fund may only be used for the purposes set forth in this section. Any interest accrued shall be deposited into the fund.
- 48 (c) Use of proceeds. -- After any repayment made under 49 subsection (d), money in the fund is appropriated in accordance 50 with the following percentages:
 - To the department, for operations of the department,

including outreach efforts under section 301(7), as required by this act, 45% of the revenue in the fund. However, no more than 15% of the amount under this paragraph may be expended for:

- the cost of providing medical marijuana to (i)patients participating in the research program under Chapter 19;
- (ii) the cost of providing medical marijuana to patients who demonstrate financial hardship under this act; and
- (iii) the cost associated with the waiver of fees for identification cards under sections 505 (e) and 506(a)(6).
- To the Department of Drug and Alcohol Programs, for drug abuse prevention and counseling and treatment services, 10% of the revenue in the fund.
- To the department, for further research related to the safety and use of medical marijuana, including the research program established under Chapter 19, 30% of the revenue in the fund. Funding shall be provided for research into the treatment of those serious medical conditions for which medical marijuana is available for treatment within this Commonwealth and for research into the use of medical marijuana to treat other medical conditions for which medical marijuana may have legitimate medicinal value.
- To the Pennsylvania Commission on Crime and Delinquency, for distribution to local police departments which demonstrate a need relating to the enforcement of this act, as determined by the Pennsylvania Commission on Crime and Delinquency, 10% of the revenue in the fund.
- To the Pennsylvania State Police to fulfill its duties under this act, 5% of the revenue in the fund.
- Repayment of initial appropriation. -- The department shall repay from the fees, taxes and investment earnings of the fund to the General Fund any money appropriated for the initial planning, organization and administration by the department with respect to the establishment of the program at the time of the original enactment of this act. Repayment shall take place within a 10-year period commencing one year after the date of publication in the Pennsylvania Bulletin of the final regulations described under section 1107.

CHAPTER 11 ADMINISTRATION

Section 1101. Governing practice and procedure.

The department's consideration and resolution of all applications for registration under Chapter 7, the resolution of applications for identification cards, the finding of violations by the department and the imposition of civil penalties and sanctions shall be conducted in accordance with 2 Pa.C.S. (relating to administrative law and procedure).

47

- (a) Report required.—A medical marijuana organization shall periodically file reports related to its activities. The department shall determine the information required in and the frequency of filing the reports.
- (b) Tracking systems.—Each medical marijuana organization shall adopt and maintain security, tracking, recordkeeping, record retention and surveillance systems relating to every stage of acquiring, possessing, growing, manufacturing, selling, delivering, transporting, distributing or dispensing medical marijuana. The department shall specify the type and manner of security, tracking, recordkeeping, record retention and surveillance system required through regulation.
- (c) Additional tracking and recall systems.—In addition to other systems required by subsection (b), the department shall require that a grower/processor or dispenser implement the following:
 - (1) For a grower/processor and a dispensary, real time inventory tracking.
 - (2) For a grower/processor, a seed-to-sale tracking system that tracks medical marijuana from seed or immature plant stage until the medical marijuana is sold to a dispensary.
 - (3) For a dispensary, a system that tracks medical marijuana from purchase from the grower/processor until the medical marijuana is dispensed to a patient or caregiver.
 - (4) For a grower/processor and a dispensary, a daily log of each day's beginning inventory, acquisitions, sales, disbursements, disposals and ending inventory.
 - (5) For a grower/processor and a dispensary, a system for recall of defective medical marijuana.
 - (6) For a grower/processor, a system to track the plant waste resulting from the growth or processing of medical marijuana.

Section 1103. Law enforcement notification.

Notwithstanding any law to the contrary, the department may notify any appropriate law enforcement agency of information relating to any violation or suspected violation of this act. In addition, the department shall verify to law enforcement personnel in an appropriate case whether a certification, registration or an identification card is valid. Section 1104. Evaluation.

The department may provide for an analysis and evaluation of the implementation and effectiveness of this act, including whether the intent and stated policy of the General Assembly have been achieved. The department may enter into agreements with one or more persons for the performance of an evaluation of the implementation and effectiveness of this act. Section 1105. Report.

(a) Report required.—The department shall submit a written report under subsection (b) every two years, beginning two years after the effective date of this section, to the following:

(1) The Governor.

- (2) The President pro tempore of the Senate.
- (3) The Majority Leader and the Minority Leader of the Senate.
 - (4) The Speaker of the House of Representatives.
- (5) The Majority Leader and the Minority Leader of the House of Representatives.
- (6) The chairman and minority chairman of the Judiciary Committee of the Senate.
- (7) The chairman and minority chairman of the Public Health and Welfare Committee of the Senate.
- (8) The chairman and minority chairman of the Judiciary Committee of the House of Representatives.
- (9) The chairman and minority chairman of the Health Committee of the House of Representatives.
 - (10) The Attorney General of the Commonwealth.
- (b) Contents of report.—The following information shall be included in the report:
 - (1) An assessment of the use of medical marijuana as a result of the enactment of this act.
 - (2) An assessment of the benefits and risks to patients using medical marijuana under this act, including adverse events.
 - (3) Recommendations for amendments to this act for reasons of patient safety or to aid the general welfare of the citizens of this Commonwealth.
- Section 1106. Advisory board.
- (a) Establishment.--The Medical Marijuana Advisory Board is established within the department. The advisory board shall consist of the following members:
 - (1) The secretary or a designee.
 - (2) The Commissioner of the Pennsylvania State Police or a designee.
 - (3) The chairman of the State Board of Pharmacy or a designee.
 - (4) The Commissioner of Professional and Occupational Affairs or a designee.
 - (5) The Physician General or a designee.
 - (6) The president of the Pennsylvania Chiefs of Police Association or a designee.
 - (7) The president of the Pennsylvania District Attorneys Association or a designee.
 - (8) One member to be appointed by each of the following, which members shall be knowledgeable and experienced in issues relating to care and treatment of individuals with a serious medical condition, geriatric or pediatric medicine or clinical research:
 - (i) The Governor.
 - (ii) The President pro tempore of the Senate.
 - (iii) The Majority Leader of the Senate.
 - (iv) The Minority Leader of the Senate.

- (v) The Speaker of the House of Representatives.
- (vi) The Majority Leader of the House of Representatives.
- (vii) The Minority Leader of the House of Representatives.
- (9) One member appointed by the Governor, who shall be a patient, a family or household member of a patient or a patient advocate.
- (b) Terms.--Except as provided under subsection (g), the members appointed under subsection (a)(8) and (9) shall serve a term of four years or until a successor has been appointed and qualified, but no longer than six months beyond the four-year period.
- (c) Chair.--The secretary, or a designee, shall serve as chair of the advisory board.
- (d) Voting; quorum.—The members under subsections (1), (2), (3), (4), (5), (6) and (7) shall serve ex officio and shall have voting rights. A majority of the members shall constitute a quorum for the purpose of organizing the advisory board, conducting its business and fulfilling its duties. A vote of the majority of the members present shall be sufficient for all actions of the advisory board unless the bylaws require a greater number.
- (e) Attendance.—A member of the advisory board appointed under subsection (a)(8) or (9) who fails to attend three consecutive meetings shall forfeit his seat unless the secretary, upon written request from the member, finds that the member should be excused from a meeting for good cause. A member who cannot be physically present may attend meetings via electronic means, including video conference.
- (f) Governance.—The advisory board shall have the power to prescribe, amend and repeal bylaws, rules and regulations governing the manner in which the business of the advisory board is conducted and the manner in which the duties granted to it are fulfilled. The advisory board may delegate supervision of the administration of advisory board activities to an administrative secretary and other employees of the department as the secretary shall appoint.
- (g) Initial terms.—The initial terms of members appointed under subsection (a)(8) and (9) shall be for terms of one, two, three or four years, the particular term of each member to be designated by the secretary at the time of appointment. All other members shall serve for a term of four years.
- (h) Vacancy.—In the event that any member appointed under subsection (a)(8) or (9) shall die or resign or otherwise become disqualified during the member's term of office, a successor shall be appointed in the same way and with the same qualifications as set forth in this section and shall hold office for the unexpired term. An appointed member of the advisory board shall be eligible for reappointment.
 - (i) Expenses. -- A member appointed under subsection (a) (8) or

- (9) shall receive the amount of reasonable travel, hotel and other necessary expenses incurred in the performance of the duties of the member in accordance with Commonwealth regulations, but shall receive no other compensation for the member's service on the board.
- (j) Duties.--The advisory board shall have the following duties:
 - (1) To examine and analyze the statutory and regulatory law relating to medical marijuana within this Commonwealth.
 - (2) To examine and analyze the law and events in other states and the nation with respect to medical marijuana.
 - (3) To accept and review written comments from individuals and organizations about medical marijuana.
 - (4) To issue three years after the effective date of this section a written report to the Governor, the Senate and the House of Representatives.
 - (5) The written report under paragraph (4) shall include recommendations and findings as to the following:
 - (i) Whether to change the types of medical professionals who can issue certifications to patients.
 - (ii) Whether to change, add or reduce the types of medical conditions which qualify as serious medical conditions under this act.
 - (iii) Whether to change, add or reduce the form and manner of consumption of medical marijuana permitted under this act.
 - (iv) Whether to change, add or reduce the number of growers/processors or dispensaries.
 - (v) How to ensure affordable patient access to medical marijuana, including whether the department should set a maximum per-dose price for medical marijuana.
 - (vi) Whether to permit medical marijuana to be dispensed in dry leaf or plant form, for administration by vaporization.
 - (vii) Whether to permit an individual dose of medical marijuana to contain a greater percentage of tetrahydrocannabinol than 10%.
 - (6) The final written report under this section shall be adopted at a public meeting. The report shall be a public record under the act of February 14, 2008 (P.L.6, No.3), known as the Right-to-Know Law.

Section 1107. Regulations.

In order to implement the provisions of this act, the department shall promulgate regulations within 18 months of the effective date of this section. The regulations shall provide for the following:

(1) Restricting the advertising and marketing of medical marijuana, which shall be consistent with the Federal regulations governing prescription drug advertising and marketing.

- (2) Growing of medical marijuana by grower/processors in an indoor, enclosed facility. The regulations shall also specify the manner and method of growing medical marijuana.
 - (3) The procedure for certification of patients.
- (4) A procedure for review and approval of certifications submitted by practitioners.
- (5) A procedure to review the credentials of practitioners who submit certifications.
- (6) A procedure to review and approve applications for identification cards.
- (7) A procedure to review and approve applications to become registered with the department as a medical marijuana organization.
- (8) A procedure to renew the registration of a medical marijuana organization.
- (9) The setting of a maximum per-dose price for medical marijuana by a dispensary.
- (10) Additional information required by the department for certification of patients and applications to become registered as a medical marijuana organization.
- (11) The procedure for waiving or reducing application fees to be paid by patients and caregivers in the case of financial hardship.
- (12) Additional requirements of identification cards for patients or caregivers.
- (13) The method of transporting, delivering, growing, processing and selling medical marijuana by a grower/processor and the method of dispensing of medical marijuana by a dispensary, including the types of medical devices, instruments and services, which may be sold by a dispensary.
- (14) The method for maintaining effective security and control to prevent diversion and abuse of medical marijuana by a medical marijuana organization, including specifying the requirements of the tracking system required by section 1102(b) and (c).
- (15) The contents and timing of reports which must be filed with the department by medical marijuana organizations.
- (16) The proper disposal of electronic information by medical marijuana organizations.
- (17) Information required for labeling of medical marijuana by medical marijuana organizations.
- (18) The procedure for practitioners registering with the department.
- (19) The frequency of filing reports by medical marijuana organizations.
- (20) The criteria for designating an appropriate individual to be a caregiver for a patient under 18 years of age.
- (21) The procedure for obtaining photographs for identification cards.

- (22) The procedure for reporting results of laboratory testing of medical marijuana.
- (23) The procedure for approving laboratories that seek to test medical marijuana.
 - (24) The contents of the safety insert.
- (25) The procedure for filing receipts generated by dispensaries with the department.
- (26) A schedule for inspections by the department of the facilities for growing, processing, dispensing or selling medical marijuana, or of the books, papers and tracking systems of medical marijuana organizations required by this act.
- (27) Regulations that the department must promulgate under section 1903(a), a procedure to select patients for the research study and any other regulation the department deems necessary to implement the research program under Chapter 19.
- (28) Regulations which ensure a grower/processor only provides medical marijuana to a dispensary holding a valid registration and which ensure that a dispensary only procures medical marijuana from a grower/processor holding a valid registration, as set forth in section 707(6) and (7).
- (29) The determination of the minimum number and the types of medical marijuana to be produced by a grower/processor and dispensed by a dispensary.
- (30) Regulations which set forth the procedure for a grower/processor to obtain seed and plant material:

 - (ii) From another grower/processor within this Commonwealth to grow medical marijuana.
- (31) Any other regulation necessary to implement this act, as determined by the department.
- Section 1108. Regulations based on recommendations of advisory board.
- (a) Recommendations.--After receiving the report of the advisory board under section 1106(j)(4), at the discretion of the secretary, the department may promulgate regulations to effectuate recommendations made by the advisory board. The secretary shall issue notice in the Pennsylvania Bulletin within 12 months of the receipt of the report of the advisory board. The notice shall include the recommendations of the advisory board and shall state the specific reasons for the decision of the secretary on whether or not to effectuate each recommendation. The secretary shall consider whether to promulgate regulations with respect to:
 - (1) Whether to change the types of medical professionals who can issue certifications to patients with respect to the use of medical marijuana under this act.
 - (2) Whether to change, add or reduce the types of medical conditions which qualify as serious medical conditions under this act.

- (3) Whether to change, add or reduce the form and manner of consumption of medical marijuana permitted under this act.
- (4) Whether to change, add or reduce the number of growers/processors or dispensaries.
- (5) Whether to permit medical marijuana to be dispensed in dry leaf or plant form for administration by vaporization.
- (6) Whether to permit an individual dose of medical marijuana to contain a greater percentage of tetrahydrocannabinol than 10%.
- (b) Timing.--Any regulations promulgated under this paragraph shall be promulgated within 12 months of the receipt of the report of the advisory board. Section 1109. Temporary regulations.
- (a) Promulgation.--In order to facilitate the prompt implementation of this act, regulations promulgated by the department shall be deemed temporary regulations which shall expire not later than 18 months following the publication of the temporary regulation. The department may promulgate temporary regulations not subject to:
 - (1) Sections 201, 202, 203, 204 and 205 of the act of July 31, 1968 (P.L.769, No.240), referred to as the Commonwealth Documents Law.
 - (2) The act of June 25, 1982 (P.L.633, No.181), known as the Regulatory Review Act.
 - (3) Sections 204(b) and 301(10) of the act of October 15, 1980 (P.L.950, No.164), known as the Commonwealth Attorneys Act.
- (b) Expiration.--The department's authority to adopt temporary regulations under subsection (a) shall expire 18 months after the effective date of this section. Regulations adopted after this period shall be promulgated as provided by law.
- (c) Temporary regulations.—The department shall begin publishing temporary regulations in the Pennsylvania Bulletin no later than six months from the effective date of this section.

CHAPTER 13

OFFENSES RELATED TO MEDICAL MARIJUANA Section 1301. Criminal diversion of medical marijuana by practitioners.

In addition to any other penalty provided by law, a practitioner commits a misdemeanor of the first degree if the practitioner intentionally, knowingly or recklessly certifies a person as being able to lawfully receive medical marijuana or otherwise provides medical marijuana to a person who is not lawfully permitted to receive medical marijuana.

Section 1302. Criminal diversion of medical marijuana by medical marijuana organizations.

In addition to any other penalty provided by law, an employee or principal of a medical marijuana organization commits a misdemeanor of the first degree if the person intentionally, knowingly or recklessly sells, dispenses, trades, delivers or

otherwise provides medical marijuana to a person who is not lawfully permitted to receive medical marijuana.

3 Section 1303. Criminal retention of medical marijuana.

In addition to any other penalty provided by law, a patient 5 or caregiver commits a misdemeanor of the third degree if the patient or caregiver intentionally, knowingly or recklessly possesses, stores or maintains an amount of medical marijuana in excess of the amount legally permitted.

Section 1304. Criminal diversion of medical marijuana by patient or caregiver.

- Offense defined. -- In addition to any other penalty provided by law, a patient or caregiver commits an offense if the patient or caregiver intentionally, knowingly or recklessly provides medical marijuana to a person who is not lawfully permitted to receive medical marijuana.
- (b) Grading. -- A first offense under this section constitutes a misdemeanor of the second degree. A second or subsequent offense constitutes a misdemeanor of the first degree. Section 1305. Falsification of identification cards.
- (a) Offense defined .-- In addition to any other penalty provided by law, a person commits an offense if, knowing he is not privileged to hold an identification card, the person:
 - (1) possesses an identification card and either attempts to use the card to obtain medical marijuana or obtains medical marijuana;
 - possesses an identification card which falsely identifies the person as being lawfully entitled to receive medical marijuana and either attempts to use the card to obtain medical marijuana or obtains medical marijuana; or
 - (3) possesses an identification card which contains any false information on the card and the person either attempts to use the card to obtain medical marijuana or obtains medical marijuana.
- Grading. -- A first offense under this section constitutes a misdemeanor of the second degree. A second or subsequent offense under this section constitutes a misdemeanor of the first degree.

Section 1306. Adulteration of medical marijuana.

- (a) General rule. -- In addition to any other penalty provided by law, a person commits an offense if the person adulterates, fortifies, contaminates or changes the character or purity of medical marijuana from that set forth on the patient's or caregiver's identification card.
- (b) Grading. -- A first offense under this section constitutes a misdemeanor of the second degree. A second or subsequent offense under this section constitutes a misdemeanor of the first degree.
- Section 1307. Disclosure of information prohibited.
- 49 (a) Offense defined. -- In addition to any other penalty 50 provided by law, an employee or principal of a medical marijuana 51 organization or an employee of the department commits a

misdemeanor of the third degree if the person discloses, except to authorized persons for official governmental or health care purposes, any information related to the use of medical marijuana.

- (b) Exception.--Subsection (a) shall not apply where disclosure is permitted or required by law or by court order. Section 1308. Additional penalties.
- (a) Criminal penalties.—In addition to any other penalty provided by law, a practitioner, caregiver, patient or employee or principal of any medical marijuana organization who violates any of the provisions of this act, other than those specified in section 1301, 1302, 1303, 1304, 1305, 1306 or 1307, or any regulation promulgated under this act:
 - (1) For a first offense, commits a misdemeanor of the third degree and shall, upon conviction, be sentenced to pay a fine of not more than \$5,000, or to imprisonment for not more than six months.
 - (2) For a second or subsequent offense, commits a misdemeanor of the third degree and shall, upon conviction, be sentenced to pay a fine of not more than \$10,000, or to imprisonment for not less than six months or more than one year, or both.
- (b) Civil penalties.—In addition to any other remedy available to the department, the department may assess a civil penalty for a violation of this act, a regulation promulgated under this act or an order issued under this act or regulation as provided in this subsection. The following shall apply:
 - (1) The department may assess a penalty of not more than \$10,000 for each violation and an additional penalty of not more than \$1,000 for each day of a continuing violation. In determining the amount of each penalty, the department shall take the following factors into consideration:
 - (i) The gravity of the violation.
 - (ii) The potential harm resulting from the violation to patients, caregivers or the general public.
 - (iii) The willfulness of the violation.
 - (iv) Previous violations, if any, by the person being assessed.
 - (v) The economic benefit to the person being assessed for failing to comply with the requirements of this act, a regulation promulgated under this act or an order issued under this act or regulation.
 - (2) If the department finds that the violation did not threaten the safety or health of a patient, caregiver or the general public and the violator took immediate action to remedy the violation upon learning of it, the department may issue a written warning in lieu of assessing a civil penalty.
 - (3) A person who aids, abets, counsels, induces, procures or causes another person to violate this act, a regulation promulgated under this act or an order issued under this act or regulation shall be subject to the civil

penalties provided under this subsection.

(c) Sanctions.--

1 2

- (1) In addition to the penalties provided in subsection
 (b) and any other penalty authorized by law, the department may impose the following sanctions:
 - (i) Revoke or suspend the registration of a person found to be in violation of this act, a regulation promulgated under this act or an order issued under this act or regulation.
 - (ii) Revoke or suspend the registration of a person for conduct, activity or the occurrence of an event that would have disqualified the person from receiving the registration.
 - (iii) Revoke or suspend the registration of a person for willfully and knowingly violating or attempting to violate an order of the department directed to the person.
 - (iv) Suspend a registration of a person pending the outcome of a hearing in a case in which the registration could be revoked.
 - (v) Order restitution of funds or property unlawfully obtained or retained by a registrant.
 - (vi) Issue a cease and desist order.
- (2) A person who aids, abets, counsels, induces, procures or causes another person to violate this act shall be subject to the sanctions provided under this subsection.
- (d) Costs of action.—The department may assess against a person determined to be in violation of this act the costs of investigation of the violation.
- (e) Minor violations.—Nothing in this section shall be construed to require the assessment of a civil penalty or the imposition of a sanction for a minor violation of this act if the department determines that the public interest will be adequately served under the circumstances by the issuance of a written warning.

Section 1309. Other restrictions.

This act does not permit any person to engage in and does not prevent the imposition of any civil, criminal or other penalty for the following:

- (1) Undertaking any task under the influence of medical marijuana when doing so would constitute negligence, professional malpractice or professional misconduct.
- (2) Possessing or using medical marijuana in a State or county correctional facility, including a facility owned or operated or under contract with the Department of Corrections or the county which houses inmates serving a portion of their sentences on parole or other community correction program. Nothing in this paragraph shall be construed to apply to employees of the facilities set forth in this paragraph. The Department of Corrections shall adopt a written policy no later than 18 months from the effective date of this section

regarding the possession and use of medical marijuana by employees in State correctional facilities. The governing authority of a county may adopt a resolution no later than 18 months from the effective date of this section regarding the possession and use of medical marijuana by employees in a county correctional facility.

(3) Possessing or using medical marijuana in a youth detention center or other facility which houses children adjudicated delinquent, including the separate, secure Stateowned facility or unit utilized for sexually violent delinquent children under 42 Pa.C.S. § 6404 (relating to duration of inpatient commitment and review). As used in this paragraph, the term "sexually violent delinquent children" shall have the meaning given to it in 42 Pa.C.S. § 6402 (relating to definitions). Nothing in this paragraph shall be construed to apply to employees of the facilities set forth in this paragraph.

CHAPTER 19 RESEARCH PROGRAM

Section 1901. Definitions.

The following words and phrases when used in this chapter shall have the meanings given to them in this section unless the context clearly indicates otherwise:

"Health care medical marijuana organization." A vertically integrated health system approved by the department to dispense medical marijuana or grow and process medical marijuana, or both, in accordance with a research study under this chapter.

"Vertically integrated health system." A health delivery system licensed under the act of July 19, 1979 (P.L.130, No.48), known as the Health Care Facilities Act, in which the complete spectrum of care, including primary and specialty care, hospitalization and pharmaceutical care, is provided within a single organization.

Section 1902. Establishment of medical marijuana research program.

- (a) Program to be established.—The department shall establish and develop a research program to study the impact of medical marijuana on the treatment and symptom management of serious medical conditions.
 - (b) Department duties. -- The department shall:
 - (1) Review all serious medical conditions which are cited by a practitioner upon the practitioner's certification that a patient be granted an identification card.
 - (2) Create a database of all serious medical conditions, including comorbidities, which are cited by practitioners in the certifications of patients. The database shall also include the form of medical marijuana certified to treat each serious medical condition.
 - (3) When the database contains 25 or more patients with the same serious medical condition, petition the United States Food and Drug Administration and the United States

Drug Enforcement Administration for approval to study the condition and the impact of medical marijuana on the condition.

- (4) Concurrent with the request to the United States Food and Drug Administration and United States Drug Enforcement Administration, publicly announce the formation of a research study to which a vertically integrated health system and a university within this Commonwealth may submit a request to participate.
- (5) Upon approval of a research study by the United States Food and Drug Administration and the United States Drug Enforcement Administration, select a vertically integrated health system or systems to conduct the research study and designate the form or forms of medical marijuana which will be used to treat the serious medical condition.
- (6) Notify a patient who has been issued an identification card:
 - (i) that the patient has been selected to participate, at the patient's option, in a research study to study medical marijuana as a treatment; and
 - (ii) where the patient may secure medical marijuana through a health care medical marijuana organization at no cost to the patient in accordance with subsection (c).
- (7) If the United States Food and Drug Administration and the United States Drug Enforcement Administration reject the proposal for the research study, take all reasonable steps to collect and collate data on the serious medical condition and the use of medical marijuana as a treatment for the serious medical condition and consider submitting an additional request to the United States Food and Drug Administration and United States Drug Enforcement Administration for a research study on the same condition.
- (c) Costs.--The cost of the medical marijuana which is dispensed to patients in accordance with an approved research study shall be paid for by the fund.
- (d) Geographic accessibility.—The department shall take into consideration the geographic location of the health care medical marijuana organization when assigning a patient to a health care medical marijuana organization. The department shall make an effort to assign a patient to a health care medical marijuana organization that is located within 50 miles of the patient's residence.
- (e) Data.--Data collected by the health care medical marijuana organization shall be provided to the university participating in the research study for analysis. Section 1903. Medical marijuana research program administration.
- (a) General rule. -- The department shall establish a research study for each serious medical condition. The department shall engage universities within this Commonwealth to participate in the collection, collation, analysis and conclusive findings of

the research studies. The department shall, by regulation, establish the procedure to be used by health care medical marijuana organizations with respect to:

- (1) Real time inventory tracking.
- (2) Real time tracking of the medical marijuana dispensed.
 - (3) Recall of defective medical marijuana.
- (b) Request for distributions.—The department shall establish a form and procedure for universities selected to participate in a research study to request distributions from the fund to conduct research on medical marijuana, including administrative costs. These distributions shall also be used to pay for the cost of the medical marijuana so that it is not borne by the patient participating in the research study. The forms shall include, at a minimum, the following:
 - (1) The form or forms of medical marijuana to be studied.
 - (2) The serious medical condition to be studied.
 - (c) Research reports. --

- (1) A vertically integrated health system shall report on the effectiveness of the use of medical marijuana for the treatment of the serious medical condition studied and all counterindications and noted side effects.
- (2) The department shall notify the vertically integrated health system and the university participating in the research study of the data which is required to meet the United States Food and Drug Administration's and the United States Drug Enforcement Administration's approval for the research study.
- (3) The first report, including the data required under paragraph (2), shall be submitted to the department and made publicly available within 180 days of the initiation of a research study for a specific serious medical condition.
- (4) An annual report of the data required under paragraph (2) shall be submitted to the department beginning one year after the initiation of a research study for a specific serious medical condition and each year thereafter. Section 1904. Approval.

A vertically integrated health system located in this Commonwealth may petition the department to participate in a research study to study a serious medical condition under section 1902. Approval of the vertically integrated health system as a health care medical marijuana organization by the department shall authorize access within a region under section 706(d) to medical marijuana for all patients included in an approved research study.

- Section 1905. Requirements.
- (a) Dispensing. -- A health care medical marijuana organization that dispenses medical marijuana shall:
 - (1) Maintain licensure with the department as required under the act of July 19, 1979 (P.L.130, No.48), known as the

Health Care Facilities Act.

(2) Secure the medical marijuana within the associated pharmacies of the health care medical marijuana organization in a manner and method prescribed by the department.

- (3) Keep a daily log of the medical marijuana dispensed and the research study with which the patient and the medical marijuana are associated. Reports shall be delivered to the department and the university participating in the research study on a weekly basis.
- (4) Report to the Pennsylvania Health Care Cost Containment Council the utilization rates of those patients participating in the research of medical marijuana and treatment options.
- (5) Only dispense medical marijuana received from a grower/processor or a health care medical marijuana organization that is approved to grow and process medical marijuana.
- (6) Provide all patients or caregivers with the safety insert, prepared by the department, which includes potential dangers, recognition and correction of problematic dosage and any other information required by the department or which the department deems relevant for patient safety.
- (b) Growing and processing. -- A health care medical marijuana organization that grows and processes medical marijuana shall:
 - (1) Maintain licensure with the department as required under the Health Care Facilities Act.
 - (2) Only make available medical marijuana to health care medical marijuana organizations that dispense medical marijuana.
- (3) Keep a daily log of medical marijuana intended for ultimate use by patients participating in a research study. Section 1906. Restrictions.

A health care medical marijuana organization may not participate in a research study of any kind, including the program established under this chapter, or dispense or grow and process medical marijuana if it has violated its licensure requirements under the Health Care Facilities Act. Section 1907. Regulations.

The department shall, by regulation, establish the procedure to be used by a health care medical marijuana organization that grows and processes medical marijuana with respect to:

- (1) Real time inventory tracking, including a seed-to-dispensing tracking system that tracks medical marijuana from seed or immature plant stage until the medical marijuana is provided to a patient in a research study.
- (2) Security, recordkeeping, record retention and surveillance systems relating to every stage of growing and processing medical marijuana.
- (3) A daily log of each day's beginning inventory, acquisitions, disbursements, disposals and ending inventory.
 - (4) A system to recall defective medical marijuana.

- (5) A system to track the plant waste resulting from the growth of medical marijuana.
- (6) Testing of medical marijuana by an independent laboratory to test the medical marijuana produced by the health care medical marijuana organization, including requiring a test at harvest and a test at final processing.
- (7) Any other procedure deemed necessary by the department.

Section 1908. Nonentitlement.

Nothing in this chapter shall be construed to create an entitlement or right of a patient to receive medical marijuana or to participate in a research study.

CHAPTER 21

MISCELLANEOUS PROVISIONS

Section 2101. Conflict.

The growth, processing, manufacture, acquisition, transportation, sale, dispensing, distribution, possession and consumption of medical marijuana permitted under this act shall not be deemed to be a violation of the act of April 14, 1972 (P.L.233, No.64), known as The Controlled Substance, Drug, Device and Cosmetic Act. If a provision of the Controlled Substance, Drug, Device and Cosmetic Act relating to marijuana conflicts with a provision of this act, this act shall take precedence.

Section 2102. Insurers.

Nothing in this act shall be construed to require an insurer or a health plan, whether paid for by Commonwealth funds or private funds, to provide coverage for medical marijuana. Section 2103. Protections for patients and caregivers.

- (a) Licensure. -- No patient, caregiver, practitioner, medical marijuana organization, health care medical marijuana organization or university participating in a research study under Chapter 19 or an employee, principal or financial backer of a medical marijuana organization or employee of a health care medical marijuana organization or an employee of a university participating in a research study under Chapter 19 shall be subject to arrest, prosecution or penalty in any manner, or denied any right or privilege, including civil penalty or disciplinary action by a Commonwealth licensing board or commission, solely for lawful use of medical marijuana or manufacture or sale or dispensing of medical marijuana, or for any other action taken in accordance with this act.
 - (b) Employment.--
 - (1) No employer may discharge, threaten, refuse to hire or otherwise discriminate or retaliate against an employee regarding an employee's compensation, terms, conditions, location or privileges solely on the basis of such employee's status as an individual who is certified to use medical marijuana.
 - (2) Nothing in this act shall require an employer to make any accommodation of the use of medical marijuana on the

property or premises of any place of employment. This act shall in no way limit an employer's ability to discipline an employee for being under the influence of medical marijuana in the workplace or for working while under the influence of medical marijuana when the employee's conduct falls below the standard of care normally accepted for that position.

- (3) Nothing in this act shall require an employer to commit any act that would put the employer or any person acting on its behalf in violation of Federal law.
- (c) Custody determination.—The fact that an individual is certified to use medical marijuana and acting in accordance with this act shall not by itself be considered by a court in a custody proceeding. In determining the best interest of a child with respect to custody, the provisions of 23 Pa.C.S. Ch. 53 (relating to child custody) shall apply.
- (d) Disclosure.--Data and information collected by the department under this act, including copies of identification cards and copies of certifications, shall be deemed exempt from public disclosure under the act of February 14, 2008 (P.L.6, No.3), known as the Right-to-Know Law. However, an application to become a medical marijuana organization shall be a public record under the Right-to-Know Law. Section 2104. Schools.

The Department of Education shall promulgate regulations within 18 months of the effective date of this section regarding the following:

- (1) Possession and use of medical marijuana by a student on the grounds of a preschool, primary school and a secondary school.
- (2) Possession and use of medical marijuana by an employee of a preschool, primary school and a secondary school on the grounds of such school.

Section 2105. Day-care centers.

The Department of Human Services shall promulgate regulations within 18 months of the effective date of this section regarding the following:

- (1) Possession and use of medical marijuana by a child under the care of a child-care or social service center licensed or operated by the Department of Human Services.
- (2) Possession and use of medical marijuana by an employee of a child-care or social service center licensed or operated by the Department of Human Services.
- (3) Possession and use of medical marijuana by employees of a youth development center or other facility which houses children adjudicated delinquent, including the separate, secure State-owned facility or unit for sexually violent children, as set forth in section 1309(3).

Section 2106. Medical marijuana from other states.

49 (a) General rule.--It is not a violation of this act or the 50 act of April 14, 1972 (P.L.233, No.64), known as The Controlled 51 Substance, Drug, Device and Cosmetic Act, if a parent or

guardian of a minor under 18 years of age lawfully obtains medical marijuana from another state, territory of the United States or any other country to be administered to the minor.

4 (b) Expiration.--This section shall expire 730 days after 5 the effective date of this section. 6 Section 2107. Zoning.

- (1) A grower/processor shall meet the same municipal zoning and land use requirements as other manufacturing, processing and production facilities that are located in the same zoning district.
- (2) A dispensary shall meet the same municipal zoning and land use requirements as other commercial facilities that are located in the same zoning district.

15 Section 2108. Notice.

Upon amendment of the Controlled Substances Act (Public Law 91-513, 84 Stat. 1236) removing marijuana from Schedule I of the Controlled Substances Act, the department shall publish notice of the effective date of the amendment in the Pennsylvania Bulletin.

21 Section 2109. Applicability.

The provisions of this act with respect to dispensaries shall not apply beginning 1,095 days from the effective date of an amendment to the Controlled Substances Act (Public Law 91-513, 84 Stat. 1236) removing marijuana from Schedule I of the Controlled Substances Act.

27 Section 2110. Effective date.

This act shall take effect as follows:

- (1) The following provisions shall take effect immediately:
- 31 (i) This section.
 - (ii) Chapter 1.
 - (iii) Chapter 3.
 - (iv) Section 704.
 - (v) Section 711.
- (vi) Chapter 9.
 - (vii) Section 1101.
 - (viii) Section 1104.
- 39 (ix) Section 1105.
- 40 (x) Section 1106.
- 41 (xi) Section 1107.
- 42 (xii) Section 1108.
- 43 (xiii) Section 1109.
- 44 (xiv) Section 1309.
- 45 (xv) Chapter 19.
- 46 (xvi) Section 2101.
- 47 (xvii) Section 2102.
- 48 (xviii) Section 2103.
- 49 (xix) Section 2104.
- 50 (xx) Section 2105.
- 51 (xxi) Section 2106.

Τ	(xx11) Section 2108.
2	(xxiii) Section 2109.
3	(2) The remainder of this act shall take effect upon the
4	issuance of temporary regulations by the department under
5	section 1109(a) or 18 months from the effective date of this
6	section, whichever is sooner.
